My message to all of you attending the 6th rally is, don't openly talk about doing those things on the internet. The three letters are watching. As for what you may plan to do.... well... patriots gonna patriot.

▲ 29 ▼

= [LessAndLessIronic](#) 29 points 14 days ago +30 / -1

We know the 3 letters are watching because the ATF recently leaked a memo that their morale is damaged by us calling them fat.

So assume that three letters are watching. Don't say things you don't want them to know.

More importantly, though, *do* say things that you *do* want them to hear. Remind them that they are unamerican pieces of shit, that they are the enemy, that they are incompetent, and that most of all they *clearly* need to cut back on the donuts. Because they *are* listening, they know how much we hate them, and it matters.

No. We have to tell them we are going after them for "peaceful" protest. That's not a good strategy, anymore. They do whatever to screw us because they think we are not doing anything. The tide has changed. We know where their offices are.

[permalink](#) [parent](#) [save](#) [report](#) [block](#) [reply](#)

▲ 6 ▼

– [IntersectionalXhe](#) 6 points 14 days ago +6 / -0

A misunderstanding friend. I'm not saying you must claim that you'll be peaceful, I'm saying, don't say anything here that you don't want the 3 letters to hear. If you do want them to hear, say it. But tbh, just go do it, better to get it done than to get your door kicked in on the 4th. I'm not advocating peace, I'm advocating caution of expression of intention.

[permalink](#) [parent](#) [save](#) [report](#) [block](#) [reply](#)

▲ 4 ▼

– [ikuyas](#) 4 points 14 days ago +4 / -0

Totally. I am just saying that we should go after these three letters agencies and office workers "peacefully" to protest and announce we are going to do. They don't fear a few violent people do some shit, but they fear that there are tens of thousands of people who would do the same type of shit next day, next week unless they do their job. If they hear their coworkers are "peacefully" protested in their neighbor every day, then they will know they are not in a safe place anymore.

I've gone solo to 4 different Stop the Steal rallies in the last 2 months. Every time I chat up the first MAGA patriots I see on the way in, and make new friends all day. Some people I hang with for hours, and a few exchange digits and we keep in touch. I find myself especially talking with older folks, and you could easily find mentor / parental types to adopt you! At least temporarily.
